

The Jefferson County Parks Department and Friends of Rose Lake would like to invite you to the

6th Annual Mason Farm Jamboree

Dorothy Carnes Park East
Saturday June 17th from 2:00pm-7:00pm.

The Jamboree will host presenters from the area on topics such as Birds of Rose Lake, Animal Tracks, Native and Invasive Plants of Wisconsin, Aquatic Insects of Rose Lake, Raising Honey Bees, Raising and Grazing Rabbits, Basket Weaving, and a local Blacksmiths Forge from 2:00pm-5:00pm.

Other activities will include the Fort Health Care Railyard Fitness equipment, Stew Helwig's Kids Log Cabin (a life sized Lincoln Log set), an auction of Carnes Park Inspired artwork, and the annual pie sale. Healthy wraps and hotdogs will be for sale throughout the day as well slices of homemade pie. The event is always highlighted by some of our local musicians including Jill and the Jax, Merry Hoard, Rose Among Thorns, and Bill Camplin and Company. Music begins at 3:00pm and will run till 7:00pm.

This annual event began in 2012 to raise funds to restore the Mason Log Home, a pioneer cabin built in 1850 and located at the park. Restoration of the Cabin was completed in 2015 and the cabin will be open for self-guided tours on the day of the event. Now that the log home has been finished, the next focus of the fundraiser will be to restore the barn on the property to serve as a rentable space. We hope you'll come out and join us for a day in the park, with great music, fun family activities, and a fundraiser to save the barn.
